

The petition stated:

## HOLD DWR ACCOUNTABLE

We, the undersigned, with respect to the Oroville Dam-Project 2100, located in Butte County, CA urge the Federal Energy Commission, to:

- 1) Order for the safety of the public a comprehensive and totally independent, free from Licensee influence, forensic study of the Project and all its appurtenances, including all auxiliary levees, impounds, power houses as well as CA Department of Water Resources operating and maintenance procedures;
- 2) Order an opening of the relicensing process to provide just compensation to the local governments and communities that host the Oroville Dam-Project 2100 and provide it with services;
- 3) Order that recreation facilities be provided on a timely basis that are at least as beneficial as those existing before the spillway debacle with future enhancements guaranteed, especially as regards lower lake level boating, swimming and dam access, and
- 4) Order DWR to fully underwrite all local outreach efforts of the three downstream County communities that were stigmatized by the Spillway failures and emergency evacuation to help them reverse the negative public impressions the incident created.
